All Children in Two Fontana Neighborhoods to Receive Free Bicycles from Santa, Courtesy of the USS Foundation

On December 17, 2014, Santa Claus (with the help from the USS Foundation) will give a shiny new bicycle to every child living in two Fontana neighborhoods – the total of over 150! The children will also receive helmets, T-shirts and short motivational program encouraging them to excel in school and life.

The two neighborhoods—Aloha Mobile Home Park and Hacienda Mobile Home Park—were selected because they were hit especially hard during the economic downturn. Many households have multiple children, and are unable to provide presents under the Christmas tree for all of them. These are the same two neighborhoods that the USS Foundation surprised with free turkey dinners this past Thanksgiving (video: <https://www.youtube.com/watch?v=s4Sf3soalP4>).

About the USS Foundation:

The USS Foundation is a charitable, non-profit organization dedicated to helping less fortunate children have the tools, skills and knowledge to build a better life with a hope for a brighter tomorrow. The IRS-approved 501(c)(3) foundation was established by USS President and CEO Adel Sayegh to “open our hearts and hands to impoverished, vulnerable children and, through our abundance, give them the hope of one day realizing their dreams.”
